AFC1212DE Delta 120x38mm fan

Created Date:2014-11-26

Posted Date : 2011-06-25
Expiry Date : 2011-12-22
Min. Order Quantity : 1 Piece(s)
Price Term : FOB
Port : Walnut, California
Price : 13 - 21 <br USD/Piece(s)

Brief Product Description

120x38mm 148.34cfm 4wire Dell 5pin, PWM with Tac output

Dell P/N D8794 ,Y4574, H7058, D6168, D8794,CH9743

Product Attributes

Type	Fan
Brand Name	Delta
Model Number	AFC1212DE
Fan Bearing	Ball Bearing
Fan Speed	3900rpm
Noise	51dBA
Fan Size	120x120x38mm

Detailed Product Description

120x38mm 148.34cfm 4wire Dell 5pin PWM with Tac outputDell P/N D8794 ,Y4574, H7058, D6168, D8794,CH9743Dell Dimension 3100 5100 5150 E310 E510 E520 E521 9100, 9150, 9200, XPS 400, XPS 410Precision 380, 390PowerEdge: SC440 SC430 830Precision Workstation: 690 380 390Optiplex Systems GX280-05 210L, GX320, GX520 MT, GX620 MT, GX740, GX745, GX745c Compatible Part Numbers Y4574, G9096 FanSize: 120x120x38 mmBearing System: Double Ball BearingRated Voltage: 12V (4.00 ~ 13.40)Input Current: 1.60AMax Speed: 3900 RPMAir Flow: 148.34 CFMTachometer (RPM Sensor): Yes PWM (Pulse Width Modulation): Yes(white=Tac sensor, red=power, black=gnd, blue=PWM controll) to 5 pin Dell connector

Company Profile

1st PC Corp is a product development and marketing company in the consumer electronic and computer hardware industry. We partner with various distribution and marketing companies to come up with products that are unique, innovative, and really can contribue to your bottomline. With many years of experience in both product development and marketing, we are able to bring to you the right product at the right price, and that empowers you to grap market share and achieve higher customer return rate. We are able to do that because we always emphasize on product quality, customer support, and partner loyalty, and our clients can see that soon after they start working with us. Whether a engineering project for automotive industry, a contract with banking industry, a nation-wide deployment of a customized computer system, or a retail roll out of a consumer electronic product, we work closely with you to provide exactly what you need by leveraging our manufacturing base and a huge network.1st PC Corp sincerely looks forward to partnering up with you to bring out some great products. We want to see you succeed. And most of all, we want to build a long lasting business partnership with you!
